

Take care of your employees with security and stability throughout their life's journey.

We protect the most important moments in the lives of our customers.

Group Life Insurance

Our life insurance protects your employees against unexpected events such as death, accidental death, disability or illness.

Death (basic coverage): the insured sum will be paid to the beneficiaries designated by the insured.

Accidental Death: Offers an additional insured sum to the death benefit. In the event of death due to accident, the amount to be paid will be double the benefit.

Organic losses due to accident: the corresponding percentage of the contracted insured sum will be paid in accordance with the table and compensation.

Disability: the compensation contracted for this coverage will be paid in the event of total and permanent disability.

Additional benefits:
• 24/7 telephone medical assistance and ambulance.
• Advanced payment for terminal illness of 30% of the contracted insured sum.

Value Proposition

Installation process

At AXA we care about providing an agile and quality service, for this reason we have a special structure whose objective is to support our commercial partners from installation to claims attention. We ensure the service from day 1 of validity!

Consulting model

We strengthen our comprehensive offer and will provide a differentiated service for our Commercial Lines portfolio based on the delivery of important information to our clients about the use of their insurance.

My AXA Benefits Portal

We strengthen our positioning as a modern and digital insurer in Employee Benefits thanks to our portal where you can do:

- Administration of Health and Life corporate accounts online in one place
- Movements of registration, cancellation, and changes of insured
- Downloading contractual documents and digital designation of beneficiaries

All this and more by improving response and application times!
