

Life

Take care of your employees with security and stability throughout their life's journey

Group Life Insurance

Our life insurance protects your employees against unexpected events such as death, accidental death, disability or illness.

Death (basic coverage)
The insured sum is paid to the designated beneficiaries

Accidental Death: in the event of death as a result of an accident, the sum payable will be twice the insured sum.

Organic losses due to accidents: the corresponding percentage of the contracted insured sum will be paid in accordance with the compensation table.

Disability: the compensation contracted for this coverage will be paid in the event of total and permanent disability.

Additional benefits:

- 24/7 telephone medical assistance and ambulance.
- Advanced payment for terminal illness of 30% of the insured sum.

Life Events

The Life Events compensation coverage provides additional support through different moments in life. You can include it as an add-on to your life insurance policy.

Lifestyle

- Birth or adoption of a child
- Marriage
- Divorce
- Graduation
- Refund of funeral expenses for a close relative.
- Involuntary unemployment or temporary total disability

In case of illness

- Closure of social networks

Value Proposition

Installation Process

At AXA, we care about providing an agile and quality service. For this reason, we have a special structure whose objective is to support our commercial partners from installation to claims attention. We ensure the service from day 1!

Consulting Model

We strengthen our comprehensive offer and will provide a differentiated service for our Commercial Lines portfolio based on the delivery of useful insights about our clients' use of their insurance.

My AXA Benefits Portal

We strengthen our positioning as a modern and digital insurer in Employee Benefits, thanks to our portal where you can:

- Control your Health and Life corporate accounts in one place
- Register, cancel, and change your insured population
- Download contractual documents and digital designation of beneficiaries
