

Property and Casualty

Extensive business experience and market knowledge.

Our regional presence allows us to work with each client to develop customized solutions.

Value proposition - Risk knowledge – Client experience

Property

Protection of our clients' assets, such as real estate, industrial, commercial, office, hotel, etc.

Ownership:

Very high risk appetite and capacity

Fire and all perils of risks

Business package

Construction

Protection for offices, industrial warehouses, hotels, hospitals, shopping centers, and other facilities that need to be renovated, expanded or developed.

We offer extensive protection against property damage:

Machinery

Construction equipment (individual or large fleets)

Casualty

A liability insurance policy that provides coverage for claims made by third parties for bodily injury and property damage. We offer cover for following:

Industrial and commercial: For some type of industries, we can include US Products Liability if the company exports their products.

Hotels.

Environmental Liability: We cover the clean-up costs of restoring damage caused by environmental accidents.

Specialized coverages (Parametrics)

They are an excellent complement to traditional property insurance to cover expenses that are not included to face the effects of a catastrophic event.

Food and beverages

Hospitality and entertainment

Business infrastructure and construction

Aviation coverage

Offers a full range of aviation insurance products. We provide solutions for individual or fleet aviation clients. The insurance products that we offer within the Aviation line of business are as follows:

General aviation:

Corporate or private jets

Medium size turboprop aircraft

Helicopters for business or private use

RPAS (Remotely Piloted Aircraft System):

Private Non-Commercial

Engineering

Cartography

Cinema

Social events

Airport Contractors Liability, Hangar Keepers Legal Liability (HKLL) and Ground Handling Liability:

- Third-party contractors' work for airports operators
- Small international airports
- Hangar keepers
- Ground handlers
- Fixed Base Operator (FBO) operations
- Private aviation
- Line maintenance
- Security and Custodial Services
- Ramp Services
- Catering (food and beverage)
- Aircraft dispatch

Financial Lines

Financial Lines offers organizations and their directors/managers the assurance of protection against a wide range of existing and emerging risks, including errors and omissions (E&O).

Our analysis is extensive, presenting global trends focused on the type of organization (financial, industrial and commercial).

Our benefits:

D&O

Cyber

Banker's Blanket Bond (BBB)

Commercial Crime

Private Equity Liability

E&O such as Miscellaneous / Architects and Engineers / Lawyers

Marine and Cargo

We protect goods in transit —such as office supplies and equipment, food and beverages, electronic and medical equipment, and more— against risks such as accidents, breakdowns, and criminal acts.

We have specific, complete, easy-to-understand products that allow us to adapt to each client's specific needs, including:

- National and international routes
- Different modes of transport
- Projects

Fine Art (Corporate Collector)

At AXA, we understand the collector's passion and desire for professional, responsive, and confidential specialty insurance services.

Our Corporate Collection clients expect the highest standard of professionalism.

We meet these needs at the underwriting stage. AXA has a better understanding of the risks involved, far superior to any traditional multi-line insurer. We can offer significant and specific benefits.

Our experience backs us up:

Museums

Institutional exhibitions

Private collections

Corporate collections

Gallery (more than 3 years with favorable operation)

Main features

Annual all-risk coverage for fine art, both in residence and in transit.

Minimum net premiums starting from USD 500

Coverage from single pieces to complete and miscellaneous collections.

Deductibles set up on a case-by-case basis.

Multiple options for valuation basis.

Greater coverage and flexibility than a property or fire (contents) insurance policy.

Our policies offer extensions of coverage specifically designed for fine art collectors.

Our coverage can include multiple locations.

In the event of a claim, we provide the owner with priority compensation through a specialized art loss adjuster.

No periodic appraisals are required.
